

## Grant Assistance for Grassroots Human Security Project

### “The Project for Procurement of Medical Equipment for Bwari General Hospital in Bwari Area Council in the Federal Capital Territory” (Commissioning Ceremony)

**Date:** 30<sup>th</sup> June 2016

**Project Content:** In Bwari General Hospital, there used to be unfortunate cases that some patients could not receive proper medical services due to lack of medical equipment. Given this difficult situation, the Government of Japan has provided USD 89,662 (equivalent to 9,862,820 Japanese yen) to procure 8 kinds of medical equipment, 8 kinds of medical tools and 9 kinds of furniture. From now on, Bwari General Hospital will serve for the needs of the residents in Bwari Area Council and neighboring states by providing better medical cares.

Mr. Sadanobu Kusaoke, Ambassador of Japan to Nigeria, representative from FCT Minister’s Office, Medical Director of Bwari General Hospital and the community people participated in the commissioning ceremony. The handover of the new medical equipment has given the vitality to the Bwari Area Council residents. The ceremony was broadcast by Federal Government owned Nigerian Television Authority (NTA).
