

Japan supports the youth in North-East Nigeria
Humanitarian Assistance Project implemented by UNIDO
Promoting Social Stabilization through Entrepreneurship Development
in North-Eastern Nigeria

Date: 8th November 2018

Venue : Rock View Hotel, Abuja

Summary: Japan funded 800,000USD to UNIDO, United Nations Industrial Organization, to implement a project in North-East Nigeria which has been facing humanitarian crisis. The project, Promoting Social Stabilization through Entrepreneurship Development in North Eastern Nigeria, aims to deliver trade and entrepreneurship education to high school students at 2 schools each in Bauchi, Adamawa and Gombe State. The Japanese Ambassador Yutaka Kikuta and UNIDO Representative, Mr. Jean Bakole, Executive Secretary, Nigerian Educational Research and Development Council (NERDC), Prof. Ismail Junaidu and Honourable Commissioners of Ministries of Education from Adamawa, Bauchi and Gombe States attended the launching ceremony
